Treaty Indian Fisheries

Fall Season Sturgeon Setline Fishery

Effective 6:00 PM Wednesday October 26, 2011 sales of sturgeon caught in SMCRA 1F (Bonneville Pool) are prohibited. Sales of legal-sized sturgeon will be allowed after the end of the period, provided the fish were landing during the open period in the open area.

Platform and hook and line caught legal-sized sturgeon handled after the closure in Bonneville Pool may only be retained for subsistence purposes.

The Dalles and John Day pools (SMCRA 1G and 1H) remain open through 6:00 PM October 31, 2011 as previously adopted on October 4, 2011
